

Dynamic. International. Design. Career opportunities in 2018.

About Wilkhahn

Unlike virtually any other manufacturer in the office furniture industry, Wilkhahn stands worldwide for design made in Germany. It offers high-quality office and dynamic conference furniture which are benchmarks for the entire industry. Some 60 years ago, the company made better utility value, long-lasting design and durability its goals. Milestones like classic office chair FS-Line (1980), Confair folding conference table (1994), office chair Modus (1994) or skid-base chair Aline (2004) have shaped the way offices have evolved. The latest examples of pioneering innovations are the multi-purpose chair Chassis, the conference range Graph, or three-dimensional ON and IN which leading experts currently consider the world's best office chairs. Wilkhahn also sets new standards in terms of its socio-ecological approach. As winner of the German Environmental Prize, the company has worked with architects Frei Otto and Thomas Herzog and has actively been practising environmental responsibility for over 20 years. In addition to a number of international accolades, office chair ON has also received the Federal Eco design Award.

About this job

This role provides an incredible opportunity for a successful candidate to work with our Asia based team in the Hong Kong office from the 1st of March 2018 (or later) – End of August 2018. We are a small team therefore the role will be quite varied and can be tailored slightly to the individual needs. Some of the tasks include marketing, logistics, event management, market research, exploration of a possible retail business, business strategy, office administration and also working with our regional partners. The salary for this Internship is 800€/month.

Requirements

- _ German/English speaking
- _ Currently studying at least 3rd year bachelor program
- _ Enjoy travelling
- _ Be flexible, self-motivated and can work individually
- _ Native Language: German
