

Wilkhahn

Graph

Two of a kind: Graph conference chairs and tables come in complementing forms and materials.

Graph

30 range conference chairs/300 range tables, design: jehs+laub

Graph is the ideal choice where superior comfort and uncompromising quality are required. The name of the range, designed by Markus Jehs and Jürgen Laub, refers to its graphical aesthetic. And it's this feature the chair owes its name to: the seat shell is cut both horizontally and vertically and then reassembled. The upshot is an intriguing mix of a fluid form and clear lines, closed and open areas, harmony and contrast. The same goes for the matching tables and their hint of lightweight elegance. Whether they're destined for large conferences, small meetings or executive offices, Graph tables and chairs are an appealing combination due to their impressive finishes, exclusive materials and flawless craftsmanship. As a result, Graph is already one of tomorrow's classic furniture icons.

300 Tables
47 1/4" x 78 3/4"/94 1/2" and 51 1/8" x 110 1/4", height 28 3/4"

A distinctive design and exceptional comfort: the Graph conference chair offers three-dimensional flexibility due to its first-class upholstery and a supporting leaf spring underneath the seat.

Graph conference chairs and customized tables configured to ensure meetings run smoothly.

A flexible chair with a touch of prestige: to leave room for the height-adjustable swivel-mounted column, the designers created a slightly flatter five-star base for the executive chair on swivel casters.

Chair details

Aluminum frame
with a signal white coating

Aluminum frame
with a black coating

Models 301/7 and 302/7 with
precision-adjustable seating height
via a gas lift

The combination of various frame finishes with especially high-quality upholstery materials from the Wilkhahn fabric and leather collection opens up a broad range of design options. Add different styles of star bases and you fulfil all functional requirements too.

Models 301/8, 302/8 with
an integrated die-cast aluminum
rocking mechanism

Chair frame with castors

Chair frame with base glides

Chair frame with glides

Stylish and spacious: the Graph table tops extend way beyond their base frames so that they appear to be floating on air and the shape of the frame leaves plenty of leg room.

Details of table accessories

The look and feel of the table's tapered edge is superb
